

BONES TELL THE TRUE TALE

A BOY WENT MISSING FROM WRESTLING BOUT IN A VILLAGE WHERE HE HAD GONE WITH HIS FRIENDS. HE DID NOT REACH HOME; NOR COULD HE BE TRACED. THREE DAYS LATER, MISSING REPORT WAS LODGED WITH POLICE AND THE SEARCH CONTINUED. AFTER TWO WEEKS, SKELETAL REMAINS WERE FOUND IN THE BED OF RECEDING WATER OF PONG DAM. PARENTS REFUSED TO TAKE SKELETAL REMAINS (BELIEVING THEM NOT BE OF THEIR SON) AND TWO ACCOMPLICES WERE HELD RESPONSIBLE FOR THE DEATH AND SUDDEN DISAPPEARANCE OF THE BOY. PUBLIC AND PARENTS CAME ON THE N.H. THE MOB BECAME FRENZIED AND POLICE HAD TOUGH TIMES. LOCAL POLITICIANS ALSO JUMPED IN TO THE FRAY AND DEMANDED CBI PROBE. THE POLICE, ON DEMAND, REGISTERED A CASE FIR NO. 133/12 DATED 13.06.2012 U/S 302, 364, 341PC.

FORENSIC TEAM EXAMINED THE SPOT AND COLLECTED CLUES. DNA PROFILES OF BONES MATCHED WITH DNA FROM BLOOD SAMPLES OF THE PARENTS AND ESTABLISHED IDENTITY. DIATOM TEST FROM BONES REVEALED THAT PERSON WAS ALIVE WHEN HE ENTERED INTO THE WATER BODY CONFIRMING ANTIMORTEM DROWING MODE OF DEATH.

FORENSIC INVESTIGATIONS ON THE SPOT AND ANALYSIS OF EVIDENCES IN THE LAB UNRAVELED THE MYSTERY AND HELPED PREVENTING MISCARRIAGE OF JUSTICE.
